5. One of the five senses

6. This means ride a bike

7. Write your name on paper

8. What is your shoe?

What am I?

Thinking too much might hurt.

You'll find me in a zoo.
But not in a jungle.
I'm not usually in pairs.
But I'm in every puzzle

Box of Socks

Logic Puzzle

Cathy has six pairs of black socks and six pairs of purple socks in a box. She's in a

dark room and can't see the colors of the socks.

How many socks must she remove from the box in order to be sure to get a matching pair? Why?

Rhymes

Can you find 5 words that rhyme with...

Marry

Bank

Honey

What day?

Warning: a brain crusher.

Can you tell me three consecutive days without using the words Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, or Sunday.
