4. Moving to America for many immigrants is not easy ...

5. Nursing is a satisfying career choice ...

6. Writing a good composition is difficult ...

7. It is dangerous to be living in this world ...

Thesis Sentence

Possible Answers and Explanations

1. Cooking and eating at home is a good idea for university students because it's healthy, cheap and delicious.

→ Three adjectives give the reader a clear description on the main idea.

2. Technology is improving our lives because it allows people to work at home, provides students with instant information and gives families new entertainment.

→ Three present tense verbs explain the idea.

3. People should drive compact cars because they're cheap to buy, operate and repair.

→ This thesis uses three verbs.

4. Moving to America for many immigrants is not easy because of the language barrier, cultural differences and competitive job market.

→ Adjectives and nouns summarize the writer's idea in this thesis.

5. Nursing is a satisfying career choice because of the high salary, flexible schedule and rewarding work.

→ More adjectives and nouns.

6. Writing a good composition is difficult because it requires dedication, practice and time.

→ This thesis uses three nouns.

7. It is dangerous to be living in this world because of the growing number of international environmental, political and social problems.

→ Three adjectives describe different kinds of international problems.
