my class is going on a trip next week. Were going to an exhibit called "Dinosaurs: Ancient fossils, New discoveries." The trip is at Monday, and Im really excited about them. I am the only one in my family who has not see this exhibit yet. I have always been interested dinosaurs. I asked my mom if the exhibit has a lot of information on the Tyrannosaurus, but she could not remember. I guess I will have to wait until next week's trip. To find out!

On sunday, Anthony went over to Nicks house to play basketball. They played a gam of one-on-on. Anthony made six baskets, bute nick made eight Nick was the winner after the game, both boys whent in side to have some snack's and watch television.

Last weekend, my family and I went to the new aquarium downtown. It is one of the most largest aquarium's in the city. When we first arrive at theaquarium, we saw real otters sharks and penguins. Then we went to the aquariums Theater and see a show called "The amazing Oceans." I learned about different oceans across the world and about interesting creatures that lives in those ocean. It was so much fun to visit the aquarium. I can't wait to go back!
