

Writing Class Quiz #1

Part 1. Write a few words to describe each word or phrase:

1. Have something in common
2. Punctual
3. Logic - logical
4. In order
5. To recognize - recognition
6. Except - exception - exceptional
7. Populate - population
8. Confident
9. Creative
10. Reliable
11. Generous
12. Fragile
13. To imagine - imagination
14. A poison - poisonous
15. Advantages
16. Disease
17. Invent - invention

Part 2. For each question, write a sentence with the writing tool:

1. Contraction
2. Gerund
3. Prepositional phrase
4. Phrasal verb
5. Infinitive
6. Plural subject

Part 3. Write one sentence to show these different kinds of sentences:

1. Simple sentence
2. Compound sentence
3. Complex sentence

Part 4. Paragraph Editing

You will have a short paragraph, similar to the ones we looked at in class and in the textbook. Find and fix the errors.

Part 5. Understanding Cohesion

Write a short paragraph (3-5 sentences). It should have a good two things:

1. An opening sentence that creates interest
2. Three elements of cohesion (synonyms, pronouns and variations)
