

# A Day Out

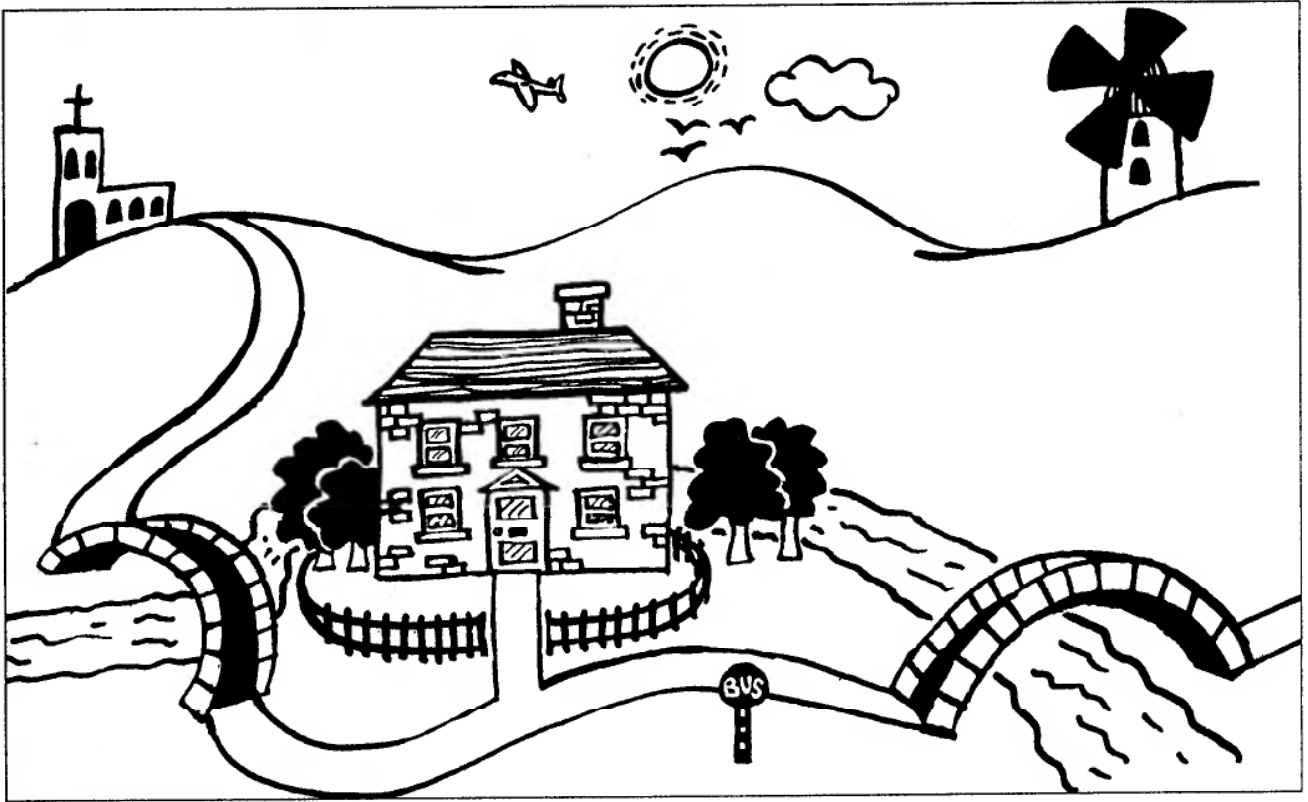

**Student A The beach** Describe the picture below to your partner. Use prepositions of place (next to, in front of, on, in, behind) to explain where things are. You must not point to the picture.

**Student A The country** Now listen to Student B and draw on the picture below:

**Student B The beach** Describe the picture below to your partner. Use prepositions of place (next to, in front of, on, in, behind) to explain where things are. You must not point to the picture.
