Part 4 Word Definition

Write a few words to show the meaning – *not examples* - of these words

Irregular verb - a verb which does not ED in the past tense

Batter fried food – food covered in a mixture of flour and water and fried in hot oil

Yawn – do this when we are tired and need oxygen

Discounted – a lower price for something we buy in a store

to bother – to annoy someone or create problems

Part 5 Opposites

Write a word (or short phrase) which has the opposite meaning for each question below.

To end up – start

Skinny – fat

Tentative – certain

To put off - to start

Part time job – full time job

Short sleeve – long sleeve

Part 6 Sentence Drill

Remember the photo a person working in a coffee shop. Write a question and answer for the six verb tenses we practiced in that exercise.

Simple present

- What does a barista do?
- She makes coffee.

Present continuous

- What's John doing?
- He's making coffee.

Present Perfect

- Have you ever worked in a coffee shop?
- Yes I have. I worked at Starbucks for 2 years.

Present Perfect Continuous

- How long has she been working at Starbucks?
- She has been working there for 3 years.

Simple past tense

- When did you start working today?
- I started working at 9am.

Past continuous

- What were you doing when the manager walked into the coffee shop?
- I was washing the floor when the manger came in.
