

# 01 ANIMALS

## 1. MONKEY IN THE WELL

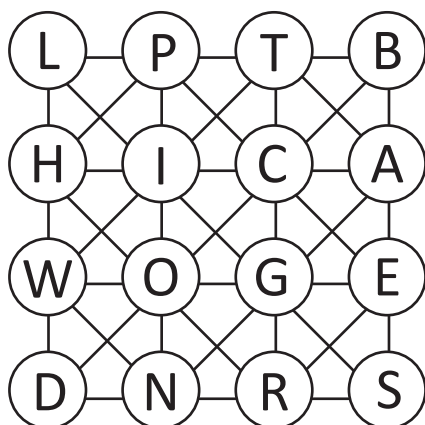

There is a monkey at the bottom of a well. The well is 30 meters deep. Each morning, the monkey climbs up three meters. In the evening, the monkey slides down two meters. There is no water in the well and the monkey has no tools.

How long will it take the monkey to get out of the well?

## 2. ANIMAL MAZE

The names of nine animals are inside the maze. Start at any letter. Move along any line to join letters and make a word. Can you find all nine animals?

## 3. HOW MANY DOGS?

One day I was walking in the park and I saw a group of dogs. I saw a dog in front of two dogs, a dog behind two dogs and a dog between two dogs. How many dogs did I see?

## 4. WHAT AM I TALKING ABOUT?

An eagle and an elephant have two each. A tiger, moose and bear have one each. But humans and gorillas don't have it. What am I talking about?

## 5. FIND THE ANIMAL

Read the sentences below. Look carefully and you will see groups of letters that make the names of animals. Can you find the animals?

For example, "I'll **be** eleven next week" has the word BEE.

- He will go at six o'clock.
- It's nice to do good work.
- Please bring some soap and a big bag.
- The construction workers will need to use a ladder.
- The students came late to class.
- Tell me if I should start now.
