

Introduction

Quiz #1 will have questions from these eight groups.

Questions

1. Write six pairs of homophones.
2. Write six verbs with two syllables.
3. Write four words with a silent b.
4. Write ten collocations from the video Symmetry (link on my website, Lesson 4).
5. Write the names of three vegetables with double consonants.
6. Know the words on the worksheet "Build Compound Words" (Lesson 3 on my website)
7. From the textbook (page 70), write five sentences **to hedge** an idea.
8. Wrote a few words to show the meaning of these words/phrases:

■ wrist	joint	organ
■ yawn	whistle	lettuce
■ bowl	cough	syllable
■ chaos	janitor	sneeze
■ radish	voluntary action	synonym
■ settle down	get along with	hang out
■ work out	break up	strict
■ annoying	serious about	ignore
